Pursuant to the foregoing Warrant the Inhabitants of said Town Qualified according to Law met at the meeting house in said Town and made choice of Capt John Fay Moderator for said meeting

Voted that the Selectmen be a Committee to provide a Gentleman to preach in this Town for the future

Voted that the Selectmen be a Committee to Hire

I have advised with my Freinds and some Gentlemen who were concerned both for your and my Welfair and [illegible] and I have I Trust Sincearly and Carefully Sought the Divine presents and Direction in this Important and Weighty affair to the Great Head of the Church Have I Sought for Light and Gidance to him have I Committed the Case

The Delay you are Sensible has been Occasioned Some time undon my Consideration and one Reason of my Delay in Answer was Some Remaining Doubt, Whether for on the one hand I Judged it would be Improper and perhaps Injurious to you for me to accept of your Invitation unless I had good reason to hope that my Helth would be Such as that I might attend the Duties that you had Invited me to engage in and on the other hand it appeared to me that it would be rash and unjustifiable in me to disregarde and immeadently decline the acceptance of your unanimous Invitation which circumstances Considered had at least the appearance of a Call of Providence because of Some remaining Weakness with out waiting that I might know whether God in Providence would Restore Continue my Health and perfect and Confirm it.

I have also been desirous to know whether you Had the mind and affection which I might Reasonably hope would continue and increas and I have also Laboured to Divest your mind of Such Expectations arising from a View of the Difficultys I must necessarily encounter in Settling in a new place and in what I Say to Like upon the Stenden Support and maintenance that you are at present able to give Indeed the offers you make me for the first years Considering your Infant Circumstances are Such as ought not be Despised but I think as do all most all those with whom I have advised that after a few years you ought to have made a grater addition. Those things with many other difficultys I Stir in my mind have greatly agitated and perplexed my thoughts and have made me Very Doubtfull with Respect to Know what was my Duty but the matter Now appearing Dark and Intricate in my own mind has been relieved by the Consideration of your being unanimous in your Invitation and Still Continuing so far as I can learn to Gether with a View of your former and present Circumstances

circumstances has Lain with grate weight on my mind
and has Served greatly to perswade me that God is Indeed
Calling me to this place and what has Served to confirm
me in this perswation is that thro the Good Hand of God
upon me I have Continues to gain bodily Strength ---
and I have also called to mind that as it becomes me as a
Disciple of Jesus to deny my Self and take up my Cross and
to Submit my Self to his Dispotel so also it is incumbant
upon me as a preacher of christ crucified to seek not
yours but you These with other things being Considered
it hath appeared to me that it was the will of the
Lord for me to enter into his Labour in this part of his
Vineyard therefore Brethren as I ought to be so I hope
I am Sincerely willing to deney my Self and neglect
more agreeable worldly prospects and undertake to go
through the Difficulty that must be attended in so
doing a place where I do hereby declare to you my ac-
ceptance of your invitation to Settle with you in
the Gospel ministrey and pray that the God who Hath
of late Lord and Saviour Jesus Christ would ever be
with us and own and help us: and I hope and trust
you will at all times grant me such Liberty and
Encouragment as is reasonable and Shall be Judged
necessary in order to preserve my present and ob-
tain a more and better State of Health ---
and flatter my Self Brethren that you will always
most Readily and Chearfully contribute all in your power
to Support and help encourage and assist me in that great
and important work to which you have in Sitcation
and I do in a particular manner flatter my Self that
as my work as a Pastor becomes Greater and as your ability
in Circumstances so you will in Some measure afford more
Support and maintance For does it not appear Even your
Selves being Judges! most reasonable and equitable that if I Care
a part in your Day of Small things I ought to Share in your
larger things and is it not reasonable that I Should
receive Some further help and advantage my Labour
is Rendred greater by your increase in numbers whereby
your ability is also Rendred greater ---

Brethren

Breatheren as that Unanimity and Harmony which hath appeared among you since my Coming to this place was a very prevailing Consideration in inclining me to accept of your Invitation so I hope you will Constantly cultivate the same happy fraternal Unity . . . . . and peaceable Disposition and Conduct Let me intreat you sweetly and harmonise in all your proceedings Let your Hearts be united in the Love of God and of one another and live to geather as the friends of the God of Love and as the Disciples and Subjects of the prince of peace Finally Breatheren be perfect be of good Comfort be of one mind live in peace and the God of Love and peace shall be with you . . .

I am Brethren your Servant in the Gospel of Jesus Christ our Lord . . .

Joseph Lee

N: B Brethren as by Reason of the Distance of this place from my friends it will be very incommodious if not impracticable to Supply the Pulpit when I may be requisite so I would Reserve Three or Four Sabaths in a year on Such occasions on which you will I hope allow me to be absent with out being obliged to Supply the pulpit this thing appears to me Reasonable and necessary and I believe it is what you expect and I imagine there will be no objection to your absence
